Dear Sirs

RE: CHIDEOCK PARISH COUNCIL - POLICY NUMBER 8308322

We have been in conversation with one of your brokers: Daniel Dorney on behalf of UK.Community Renewals and have asked various questions regarding our cover, specifically relating to a trampoline that has been installed in our play area.

The last conversation was a week ago and we have been telephoning the main switchboard, being put on hold, and then having to leave a message. No one has rung us back.

There are urgent outstanding matters that we need answers to, concerning the installation and cover of a trampoline in our play area. Children are playing on this equipment, we need to know whether to take the item out of service (fence it off), without a response from you we are unsure of what to do.

Please would you have someone telephone us urgently (today if possible) to speak to us about this and give us the advice we need.

Please contact our Vice Chair – Cllr Richard Benjamin on 07852 160537 / 01297 489298

Yours sincerely
